### **Space and Naval Warfare Systems Command Awards Contract**

SAN DIEGO — Progeny Systems\* of Manassas, Va., is being awarded a \$5,895,091 cost-plus-award-fee contract for engineering services for the development of technology associated with an expendable array installation vehicle for Maritime Surveillance Systems. Work will be performed in San Diego, Calif. (99 percent) and Alameda, Calif., (1 percent) and is expected to be completed by May 2008. Contract funds will not expire at the end of the current fiscal year. This contract is a Small Business Innovative Research Phase 3 follow-on and was not competitively procured. The Space and Naval Warfare Systems Command, San Diego, Calif., is the contracting activity (N00039-05-C-0011).

\*Progeny Systems is a small business.
